AT A

## HEALTH INSURANCE COST MANAGEMENT FORUM

**STABILIZE YOUR BENEFITS AND BENEFIT COSTS!** Let Employers Committed to Control Health Insurance Costs (ECCHIC) introduce you to new methods for **retaining and affording** your current and desired level of benefits in light of the **New Healthcare Reform Legislation**. Dozens of employers have seen their budgets remain **unchanged** for 3, 5, or more years while maintaining the **same benefit level** for their employees with our methods and cost-management team. At the ECCHIC forum, you can learn how to:

**Maintain your current level of benefits**

**Customize plans to meet your actual needs**

**Stabilize your health benefit costs and budget**

**Achieve the same cost efficiencies as large employers and insurance companies**
